

**REMARKS**

Claims 1-54 are pending in the case. The Examiner requires restriction under 35 U.S.C. §121 to one of three groups of claims identified as follows:

- Group I. Claims 1-15, 39-40, and 47-48 drawn to a system or apparatus for making a customized coffee product, classified in class 99, subclass 323.3.
- Group II. Claims 16-38, 43-46, and 49-54 drawn to a method for delivering an individually customized coffee beverage product to an individual consumer, classified in class 426, subclass 433.
- Group III. Claims 41-42, drawn to a computer readable medium containing instructions for controlling a beverage delivery system to produce a customized coffee beverage product, classified in class 709, subclass 100.

**Restriction Requirement**

Applicants respectfully traverse the Restriction Requirement and submit that the claims of the three groups designated by the Examiner are closely interrelated from a patentability assessment standpoint. In addition, Applicants maintain that the claims of the three designated groups have not actually acquired a separate status in the art, notwithstanding different art classifications which may be artificially assigned for mere cataloging purposes. Therefore, in order to preserve the unity of the invention, all three groups of claims should be prosecuted in the same application. Prosecuting the three groups together would eliminate duplication of search efforts, thereby simplifying Patent Office examination work.

In the event the Examiner persists in the Restriction Requirement, Applicants hereby affirm the election of Group I, Claims 1-15, 39-40, and 47-48 for prosecution, holding Claims 16-38, 41-46 and 49-54 in abeyance for prosecution in a separately filed continuation application.

**Conclusion**

In view of the foregoing remarks, Applicants respectfully request that the Examiner withdraw the Restriction Requirement and allow claims 1-54 to be prosecuted in the same application. In the event that the Examiner's Restriction Requirement is made final, Applicants reaffirm the provisional election of Group I, Claims 1-15, 39-40, and 47-48 above for continued prosecution, holding Claims 16-38, 41-46 and 49-54 in abeyance under the provisions of 37 C.F.R. 1.142(b) until final disposition of the elected claims.

Respectfully submitted,

For: Roger W. Gutwein, et al.
